IVF STANDARD PACKAGE
SCOPE OF THE CLINIC, COUPLE AGREEMENT

HEREINAFTER,

The potential parents are identified as "couple". The Batumi IVF Clinic, located in 122 Airport Street Batumi, Georgia, which will provide the necessary treatment to the couple, is identified as "clinic".

1. SUBJECT

The clinic, will cultivate embryos from the reproductive cells of the candidate mother and transfer them to the candidate mother. This document determines the scope of the treatment that the clinic will provide, and the amount and the schedule of the payments the couple will pay in exchange for the treatment.

2. SCOPE OF THE IVF STANDARD PACKAGE :

The package covers all the following:

- 2.1 Guaranteed number of treatment: **1**
- 2.2 The freezing of the sperm cells
- 2.3 The tests for the candidate mother during the stimulation treatment
- 2.4 The costs incurred in the oocyte collection
- 2.5 The costs incurred in the microinjection
- 2.6 The costs incurred in the embryo culture treatment
- 2.7 The costs of the freezing embryos
- 2.8 The costs incurred in the diagnostic tests of the candidate mother before the embryo transfer
- 2.9 The costs incurred in the embryo transfer (if will be transferred immediately)
- 2.10 The costs of the transfer 1st party embryos, and their thawing
- 2.11 The costs of the pregnancy tests
- 2.12 The notary costs (if necessary)

2.13 The costs incurred in the reception of the couple by a clinic representative at the border or airport and their transportation to the clinic

2.14 24/7 Consultancy through telephone

Note: If the couple has 2nd party embryos and they want to transfer them, they pay additional 1.000 USD payment in this case they will have chance to transfer 2 party of embryos Separately

3. THE PAYMENT PLAN

3.1 The total cost of the **IVF Standard Package** costs **2.000 USD**.

3.2 The couple pays **1.000 USD** on the day contract is signed. If the payment will be executed through a bank, the couple will incur any costs associated with the transaction.

3.3 If the couple demands the rescission of the contract and the treatment had already begun, **1.000 USD** payment stipulated above will not be reapid.

3.4 The couple makes **1.000 USD** payment on the transfer day of the embryos.
